Juniors Must Complete This Section

Junior Membership available for recent graduates at a reduced rate of \$67.00. This category is designed to help physicists in the period immediately following receipt of their final degree or the termination of their full-time student status. To qualify for Junior dues of \$67.00, you must be an individual who has received his/her final degree within the last 12 months. A Junior member may remain in this category for a maximum of three years. After this three year period, the Junior member will automatically be billed as an APS Regular member.

2012 Membership Application

Consider the Benefits

When you join APS, you become part of the nation's leading membership organization for all specialties of physics. As a member, you receive a number of important benefits, including:

- ◆ *Physics Today* & Annual Buyers' Guide
- ◆ *APS News* & *2011 Physics News*
- ◆ Networking through a growing number of specialized units
- ◆ Society journals and other publications for personal use at greatly reduced rates
- ◆ APS journal online subscriptions, at \$45 each, with electronic notification service
- ◆ APS and AIP Article Packs at member rates
- ◆ Access to the APS Online Member Directory
- ◆ Reduced registration fees for APS meetings
- ◆ The right to present papers at APS meetings
- ◆ Career information and updates at meetings, on the APS website, and through *APS News*
- ◆ Email alias:
www.aps.org/membership/services/email-alias.cfm
- ◆ Group Life & auto insurance at very competitive rates
- ◆ Honors and Awards recognition programs
- ◆ Benefits from reciprocal arrangements with other physics societies
- ◆ Physics advocacy in Washington, D.C. and to the public
- ◆ Opportunity to become a member volunteer in the Society's activities

UNITS

There is a \$8 fee for each Division and Topical Group joined. *Two Forums are free of charge, each additional Forum is \$8. Sections are free of charge.
